# Vaccine Tips

---

August 2019

## August is National Immunization Awareness Month

**NIAM highlights the importance of immunizations for people of all ages—including adolescents and young adults.**

- ✓ Your strong recommendation is one of the best ways to ensure your patients are immunized on time.
- ✓ Vaccines aren't just for babies. Make sure all your patients -- and coworkers -- are fully protected.
- ✓ Immunizations protect against many dangerous and sometimes deadly diseases, including influenza.

**Visit the [NIAM website](#) for more info & resources.**
