Dear EZIZ Users,

These updated Vaccine Information Statements (VIS) are now available.

- [Multiple Vaccines \(DTaP, Hib, Hepatitis B, Polio, and PCV13\)](#)
- [Pneumococcal Conjugate PCV13](#)

Both of these VISs are now final (as opposed to interim). While we encourage providers to begin using these VISs immediately, stocks of the previous editions may be used until depleted.

Translation of other languages will be available at a later date.
