

Dear VFA Program Participant,

Please mark your calendars for our third VFA webinar:

Date: January 25, 2017

Time: 12PM-1PM

We are in the process of finalizing the webinar schedule details, which will include a guest speaker from a VFA program participating site. The intent of this discussion is to share insight and experiences in 1) implementing the VFA program and 2) integrating adult immunization practices into the clinic workflows and systems. We hope that this webinar will provide not only specific, concrete and practical information that program participants can adapt to their clinic specifics, but also a platform to share lessons learned and best practices related to the adoption of adult immunizations standards and the implementation of the VFA program in an FQHC setting.

Please see registration information below. More information regarding the specific topic(s) and speakers to follow.

VFA Providers Webinar

Wednesday, January 25, 2017

12:00 pm | Pacific Standard Time (San Francisco, GMT-08:00) | 1hr
