Shingles Vaccine 2.0: What You need to Know

Wednesday, April 4, 2018

12:00 pm to 1:00 pm PT

Did you know that 1 in 3 adults will get shingles in their lifetime, but less than 30% of older adults get vaccinated? Join the California Immunization Coalition Education Hour to learn more about Herpes Zoster disease and epidemiology, new ACIP recommendations for vaccination, and messaging about the new shingles vaccine (Shingrix).

Featured Presenter:

Mark Sawyer, MD, FAAP

Director, UCSD Department of Pediatrics Residency Program UCSD School of Medicine and Rady Children's Hospital San Diego

At the end of the Education Hour, Participants will be able to:

- Explain the clinical benefits and recommendations for administration of Shingrix, the new shingles vaccine
- Explain the differences between Shingrix and Zostavax vaccines

- Create and/or implement effective messaging to staff and patients on the benefits of the new shingles vaccine
