

## Updated Resources: Timing Guides and Vaccine Inventory Form

**Dear VFA Provider,**

The following job aids have been updated to reflect recent changes in ACIP recommendations:

- [Pneumococcal Vaccine Timing Guide](#)
- [HPV Vaccine Timing Guide](#)

The [317 Adult Vaccine Inventory Guide](#) has also been recently updated.

Please share these updated resources with providers and staff and encourage them to replace old versions with these new ones.

Visit the [VFA page](#) for more resources.

**Thank you,**

California Department of Public Health | Immunization Branch  
Vaccines for Adults (VFA) Program
