

Adult Immunization Resources

Dear VFA Provider,

In case you missed them, below are links to two webinars to support your knowledge in adult immunizations:

- [Adult Immunizations in the Context of COVID-19 - slides attached](#) (CPCA and CDPH)
- [General Best Practice Guidelines for Immunization - CE available](#) (CDC)

The following patient education materials are now available in additional languages:

- [Hep A Fact Sheet for High Risk Populations with Customizable Fields](#) | [Arabic](#) | [Armenian](#) | [Chinese](#) | [Spanish](#) | [Vietnamese](#)
- [You May be at High-risk for Pneumonia Flyer for Adults](#) | [Arabic](#) | [Armenian](#) | [Chinese](#) | [Spanish](#) | [Vietnamese](#)
- [50+? Protect Against Shingles!](#) | [Arabic](#) | [Armenian](#) | [Chinese](#) | [Spanish](#) | [Vietnamese](#)

Visit <https://eziz.org/resources/immunization-promo-materials/> and click on the "Adults" tab for more resources.
