

# Webinar Slides and Recording now Posted: New Provider Orientation

**Dear VFA Provider,**

The [slides](#) and [recording](#) from the August 26th webinar, “New Provider Orientation,” are now posted on the [VFA Resources page](#).

Please share this communication with the Provider of Record, Vaccine Coordinator, and any others that will be involved in managing or carrying out the day-to-day functions of the VFA program at your practice. Any VFA primary contacts that missed attending the webinar must view the recording prior to ordering VFA vaccine (opening on August 30, 2021).

Please review the [VFA Enrollment Welcome Letter](#) for more information about the VFA program and how to [prepare for receiving the first vaccine shipment](#).
