

Register for the Next VFA Webinar and Availability of Late Season Federally-Purchased Flu Vaccine

Dear VFA Provider,

Please use the link below to register for the next VFA Webinar, **Program Updates and Year 6 Requirements,” on Thursday, November 18th from 12-1pm.**

In this webinar, you will:

- Learn about best practices utilized by VFA providers to boost adult immunization rates in the context of the pandemic
- Discuss proper entry/submission of VFA doses to an immunization registry with CAIR guest speakers
- Review current adult immunization and program resources

Registration Link:

<https://cdph-conf.webex.com/cdph-conf/onstage/g.php?MTID=e5ac64768b80a48e220854903c8e63e06>

Click the “Register” button.

Enter registration information and click the “Submit” button.

Once registered, you will receive a confirmation email that will include the URL link for the webinar and audio conference information. **Make sure to save that information, as you will need it to join the webinar.**

Late Season Federally-Purchased Flu Vaccine Now Available!

Attached to this email is also a memo detailing the availability of federally-purchased flu vaccine for the 2021-2022 flu season. The ordering page is now live, and we have received our first doses. A total of about 85,000 doses will be available over the next several weeks.
