

New Recording from the August 24th Webinar Now Posted

Dear VFA Provider,

There is a new [recording](#) from the August 24th VFA Webinar, “Improving Adult Vaccination through Community Partnerships,” posted on the [VFA Resources page](#). Please note that the audio issues with the webinar recording are now fixed. Please encourage clinicians and staff who were unable to attend to view the webinar recording and [slides](#).

As a reminder please complete the 2-minute [VFA webinar evaluation survey](#) to let us know how we are doing and to suggest topics you would like us to cover in future webinars.
