

## VFA Vaccine Ordering is Opening Soon

Dear VFA Provider,

The VFA third quarter ordering period is expected to open soon. A communication will be sent by the program when the ordering period is officially open. Please wait to receive the official communication from the VFA program to place your VFA vaccine order. Please note that due to our limited 317 budget, orders will be capped up to 10 to 20 doses of each product.

### QUESTIONS?

Contact us at [my317vaccines@cdph.ca.gov](mailto:my317vaccines@cdph.ca.gov). Additionally, the [VFA Program webpage](#) may help answer many of your questions.

Thank you,

California Department of Public Health | Immunization Branch
