

Greetings,

The annual immunization assessment reporting site is now open for Kindergarten and 7th grade, with pre-kindergarten to follow.

California Health and Safety Code Section [120375](#) and California Code of Regulations Section [6075](#) require all child care facilities and schools (including home schools receiving this email) to review students' immunization records and report annually on their immunization status of students.

Before reporting, please review the guidance at [Immunization Assessment Reporting](#). Check that each student has in the cumulative file a complete and accurate:

- California School Immunization Record (CSIR or "Blue Card"), or
- Electronic record of required vaccinations (or stored in a computerized system)

If your school is closed or does not have students for the applicable ages or grades, please sign-in to report your school's closure or lack of students.
