

Vaccine Tips

September 2015

A few reminders as the 2015-2016 Flu Season begins:

VFC flu vaccine shipments will be arriving soon at your practice.

If there are any discrepancies with your flu order, **DO NOT REFUSE** the shipment. Immediately store the flu vaccines in your refrigerator and notify the VFC Program.

The distributor ships flu vaccine in multiple shipments, and not according to a predictable schedule. Providers should be prepared to receive and store their flu doses according to VFC requirements.
